To: Honorable Chairwoman Rebeca Sosa

From: Carlos A. Gimenez
Mayor 

Subject: Recommendation for Approval to Award: Roll-Up Doors – Inspection, Repair, Furnish and Installation Services

Recommendation

It is recommended that the Board of County Commissioners (Board) approve award of *Contract No. 6050-1/24, Roll-Up Doors – Inspection, Repair, Furnish and Installation Services* to the vendors listed below for purchase of inspection and repair services for industrial roll-up doors and related equipment for multiple County departments. The types of doors to be serviced include, but are not limited to, a variety of roll-up, overhead, and bi-fold garage bay doors that are electro-mechanically or manually operated. The contract also provides for purchase and installation of new doors. The solicitation includes three groups: Group I - Inspection Services; Group II - Repair, Furnish and Installation Services Pre-qualification Pool; and Group III - Emergency Repair Services.

This award recommendation is presented for Citizens' Independent Transportation Trust (CITT) Committee review pursuant to Miami-Dade County Code Section 29-124(f). The Miami-Dade Transit Department (MDT) allocation within this contract recommendation may only be considered by the Board if CITT has forwarded a recommendation to the Board prior to the date scheduled for Board consideration or 45 days have elapsed since the filing with the Clerk of the Board of this contract recommendation. If CITT has not forwarded a recommendation and 45 days have not elapsed since the filing of this award recommendation, I will request a withdrawal of the MDT allocation from this item.

Scope

The impact of this item is countywide in nature.

Fiscal Impact and Funding Source

The fiscal impact for the initial five-year term is \$2,714,000. If the one, five-year option-to-renew is exercised, the cumulative value of the contract will be \$5,428,000 over ten years. The current contract, 6050-4/11, is for seven years and three months and is valued at \$4,103,000. Based on the proposed prices, the County will realize cost savings through this replacement contract.

Additionally, *Contract No. 8997-1/13, Garage Overhead Doors Pre-qualification* is being consolidated with the replacement contract as it is primarily used by the Miami-Dade Fire Rescue for new installations of roll-up and overhead garage doors, and does not include inspection, repair and emergency services. The value of that contract is \$1,125,000 for four years and six months.

The proposed allocation is budgeted as follows:

Department	Allocation	Funding Source	Contract Manager
Aviation	\$325,000	Proprietary Funds	Neivy Garcia
Corrections and Rehabilitation	225,000	General Fund	Mohammed Haq
Fire Rescue	487,000	Fire District	Sylvia Novela
Internal Services	450,000	Internal Service Funds	Etta Jardine
Parks, Recreation and Open Spaces	150,000	General Fund	Maria Quinoa
Police	30,000	General Fund	Laura Romano

Department (continued)	Allocation	Funding Source	Contract Manager
PortMiami	114,000	Proprietary Funds	Phillip Rose
Public Housing and Community Development	75,000	Federal Funds	Indira Rajkumar
Regulatory and Economic Resources	9,000	Proprietary Funds	Manuel Blanco
Transit	500,000	MDT Operating	Rodney McMillan
Water and Sewer	349,000	Proprietary Funds	Susan Pascual

Subject: Responsiveness of Bid – ITB Bid No. 6050-1/24 Roll Up Doors Inspection, repair,
Furnish & Installation Services

You have asked for an opinion on whether the bid submitted by DOES Construction, Inc., is responsive when they did not submit a copy of a Certificate of Competency for Garage & Industrial Doors. For the reasons described below the bid submitted by DOES Construction, Inc., is not responsive.

We rely on the information provided in your memo to Hugo Benítez dated June 10, 2013 and attached as Exhibit 1, your email dated July 5, 2013 and attached as Exhibit 2, the bid documents and the bid submittal from DOES Construction, Inc.

Section 2.5(D) of the Special Conditions requires that all bidders meet certain minimum qualifications. Among them is the requirement that "any person, firm, corporation or joint venture which submits an offer in response to this County solicitation, shall provide a valid Certificate of Competency for *Garage and Industrial Doors*..." According to Section 4.1 of the Bid Submittal Forms, a copy of this certificate shall be attached to the bid submittal form.

Does Construction, Inc., did not submit the required certificate with its bid. In the email attached as Exhibit 2, I indicated to you that in order to be able to determine whether the bidder is responsive or not in this situation the County needed to verify if the bidder had the required certification at the time of bid submittal. You have indicated to me that this was verified and it was determined that the bidder did not have the required certification. As a result the bid is not responsive.

From: Carlos A. Gimenez

Subject: Recommendation for Approval to Establish a Pre-Qualification Pool: Work Gloves

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the establishment of a pre-qualification pool, *Contract No. 5966-0/23*, for purchase of various types of work gloves (e.g., heat-resistant, cotton and leather-palmed) used by multiple County departments. These gloves are provided to Miami-Dade County employees as needed for hand protection in their daily duties, and as required by the Occupational Safety & Health Administration and the County's Safety Manual. This contract will consolidate two existing contracts used to purchase work gloves. Pre-qualified vendors will be invited to participate in future spot market competitions for provision of the solicited gloves.

This award recommendation is presented for Citizens' Independent Transportation Trust (CITT) Committee review pursuant to Miami-Dade County Code Section 29-124(f). The Miami-Dade Transit Department (MDT) allocation within this contract recommendation may only be considered by the Board if CITT has forwarded a recommendation to the Board prior to the date scheduled for Board consideration or 45 days have elapsed since the filing with the Clerk of the Board of this contract recommendation. If CITT has not forwarded a recommendation and 45 days have not elapsed since the filing of this award recommendation, I will request a withdrawal of the MDT allocation from this item.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for the ten-year term is \$3,097,000, or \$309,700 annually. The annualized value of the two existing contracts for gloves that are set to expire this year is \$371,000, of which both contracts include allocations for work gloves and one of the two contracts includes allocations for latex gloves. The replacement contract allocation recommended under this item is lower than the combined existing contracts because the scope is only for work gloves, and does not include latex gloves. A separate contract has been established for latex gloves. The proposed allocations are budgeted as follows:

Department	Allocation	Funding Source	Contract Manager
Aviation	\$115,000	Proprietary Funds	Nelvy Garcia
Corrections and Rehabilitation	428,000	General Fund	Mohammed Haq
Fire Rescue	4,000	Fire District Funds	Marianela Betancourt

Regulatory and Economic Resources	18,000	Proprietary Funds	John Larisoa
Seaport	16,000	Proprietary Funds	Phillip Rose
Transit	403,000	MDT Operating	Rodney McMillan
Water and Sewer	1,700,000	Proprietary Funds	Gregory Hicks
Total	\$3,097,000		

Track Record/Monitor

The contract manager for each user department is listed in the table above. Abelin Rodriguez of the Internal Services Department is the Procurement Contracting Officer.

Delegated Authority

Upon approval of this item, a pool of pre-qualified vendors will be established to participate in spot market competitions. The County Mayor or the County Mayor's designee will have the authority to solicit pricing and award contracts up to an aggregate contract amount of the allocation authorized by the Board. Additionally, the County Mayor or the County Mayor's designee may add qualified vendors to the pool at any time during the term of the contract, subject to bi-annual ratification by the Board. The County Mayor or the County Mayor's designee will also have the authority to exercise, at their discretion, contract modifications, options-to-renew, and other extensions in accordance with the terms and conditions of the pool contract.

Vendor(s) Pre-Qualified for Pool

An Invitation to Bid was issued on February 19, 2013 under full and open competition. Contract Description and Reason for Change:

This contract was originally established on October 1, 2011 for various County departments to rent golf, personnel carts and turf vehicles on an as-needed basis. These services are primarily used by Parks, Recreation and Open Spaces. Miami-Dade Transit (MDT) is currently renting golf carts through a reference purchase order on this contract. MDT uses carts for security patrolling at the following Metrorail parking facilities: Dadeland South surface lot, Dadeland North garage, South Miami garage, and Hialeah surface lot. MDT is requesting to be added to this contract with a \$31,000 allocation through the end of the contract term in September 2017 to rent four golf carts.

Contract Description and Reason for Change:

Authorization is requested to modify this pre-qualification pool contract for additional time and spending authority to allow various County departments to continue purchasing paint and paint-related products. These items are used in the maintenance and upkeep of all County-owned and leased facilities.

Market research shows the requirements, terms and conditions of the contract will not change if a replacement contract is issued, and it is anticipated that the same vendors will pre-qualify for a replacement solicitation. As such, and given the competitive benefits of this pool, it is in the best interest of the County to modify the existing pool for an additional five years to allow user departments to continue accessing this contract.

Qualified vendors may be added to the pool at any time during the term of the contract, subject to bi-annual ratification by the Board. The contract will remain advertised on the County's website to encourage additional participation, and staff will also notify other vendors enrolled in this commodity code that the pool is available to access. The value of the five-year modification is slightly lower than the current allocation on an annualized basis, and is based on current and anticipated usage.

Item 2.4 - Contract Modification

Contract No.: 06405(B)	Title: Vehicles Lifts and Related Garage Equipment
-------------------------------	---

Type of Change:

- ☐ Additional Time
☒ Additional Spending Authority
☒ Authorization to use Charter County Transportation Surtax Funds as a Component of MDT Operating Funds for this option term

Contract Description and Reason for Change:

Authorization is requested to modify this State of Washington contract, accessed through the Western States Contracting Alliance, for additional spending authority so Miami-Dade Transit (MDT) may continue to purchase vehicle lifts. MDT has a need to replace a total of 76 mobile column lifts at Metrobus garages during the contract term, of which 20 require immediate replacement. The lifts are used in the daily preventative maintenance and repairs to the bus fleet. The new lifts will replace existing equipment that has been in service for nearly 30 years which leak hydraulic fluid, thus creating safety and environmental concerns. Repair of the existing equipment is not recommended due to the frequency of failure, as well as the cost of parts and labor. This allocation will be sufficient through the March 31, 2015 expiration date of this contract.
